ABOUT TWITCH

Twitch is a video live streaming service operated by Twitch Interactive, a subsidiary of Amazon.[2] Introduced in June 2011 as a spin-off of the general-interest streaming platform Justin.tv, the site primarily focuses on video game live streaming, including broadcasts of esports competitions, in addition to music broadcasts, creative content, and more recently, "in real life" streams. Content on the site can be viewed either live or via video on demand.

TWITCH SPONSORED THIS PROJECT

Twitch is subsidizing the production of Into The Mother Lands, with funding for development, production and paying the cast of the streamed shows. Thanks to their support, Into the Mother Lands will be a twelve episode arc, of three hour sessions featuring some of the top Black and POC talent in the RPG streaming space.

I WANT TO BE INVOLVED!
Right now, we have a full crew working on this game & streamed show. You can support by sharing the stream, subscribing, retweeting!

CAN I PLAY THIS IF I'M WHITE?
Yes, there will be a section on playing outside your culture in the Core book. Just because it’s an all Black & POC dev team, doesn’t mean you can’t play it if you’re white.

IS THERE MERCH?
Not yet, the show hasn’t premiered yet. Check back in October.

WILL IT BE ON YOUTUBE?
Yes, eventually (within 24-48 hours) after a live broadcast it will be uploaded to youtube.com/cypheroftyr

THERE’S NO WHITE PEOPLE! THIS IS RACIST!
There’s no such thing as reverse racism. Sit down and read a history book, learn about systemic oppression.

WILL THERE BE A PODCAST?
Unfortunately no. Editing audio, putting it out and doing so in a timely manner for a weekly show isn’t going to fit our production schedule.
